NOTIFICATION OF HOLIDAY

This form is for you to notify us of any periods, which you wish to take as Holiday under Kent Top Temps Ltd's Paid Holiday scheme and should be read in conjunction with your Contract for Services.

Notice Required

The notice you give us of your intention to take Holiday must be at least twice as long as the period of leave you wish to take. i.e. if you want to take 3 days paid Holiday you must give us at least 6 working days notice. This notice period is required to comply with the Working Time Regulations, however, it would be helpful, where possible, to give us more time in order for us to make alternative arrangements with the client to cover the assignment during your absence.

Holiday pay will be calculated on the basis of rates paid during a candidate's normal working hours (i.e. those which do not attract overtime rates of pay) and will be pro rata according to the average weekly hours (to a maximum of 37 hours per week) you have worked in the leave year prior to your period of leave. No leave can be requested that has not been accrued.

Please note that under the restrictions of the Working Times Regulations 1998, no payments can be made in lieu of Holiday (except upon termination of employment) and that no holiday can be carried over from one year to the next.
